WMST 410: Feminist Theory
Spring 2015 Assessment Questionnaire

One of the Student Learning Outcomes (SLOs) in the Women's & Gender Studies Program is: *Students will demonstrate familiarity with the multiplicity of views within feminist scholarship*. Please assist in assessing the success of this course in addressing this SLO by answering the questions below. Although responses to these questions will not be graded, engaged participation in this process will reflect positively on your class participation score, which in turn will be calculated into your final course grade.

1. Please comment on your understanding of the diversity of perspectives and positions within feminist theory.
