

Major Academic Plan (MAP)

Associate in Arts and Science BA in Spanish

*Department of Modern Languages, and Literatures
College of Arts, Letters, and Education (CALE)*

Why study a language?

Students learn the practical skills of speaking, listening comprehension, reading, and writing, while also building enhanced analytical and critical thinking skills. Language is one of the foundations of cultural diversity and the program helps students better understand their own heritage.

Study Abroad Opportunities

The Modern Languages Department offers a summer program in Salamanca, Spain at the Escuela Internacional, where EWU students and professors study the language and culture together.

Other opportunities to study in locations across the globe can be coordinated through the Study Abroad Office. Contact Elena Axton at 509.359.6275 or studyabroad@ewu.edu.
