SORORITIES & FRATERNITIES
Recruitment Guide
On behalf of Sorority & Fraternity Life, we would like to welcome you to Eastern Washington University! We are truly excited to introduce you to our community and believe that exploring sorority and fraternity Life at EWU is one of the best ways to connect with others and find your niche. All of our chapters are values-based organizations designed to help you enrich your college experience and help you grow. Through the recruitment process, you will meet countless men and women. Recruitment is about helping individuals begin to create lasting connections with individuals across campus. You are encouraged to explore as many chapters as you would like.

It is important to remember that each chapter you visit or connect with contains a diverse group of men or women. As leaders in the community, we encourage you to keep an open mind and examine each chapter as a whole. While there may be individual members in every chapter that you gravitate to, it is important to look at the big picture. Will the chapter help you grow? Can you add something to the chapter? Do you like how everyone interacts with one another? Have you researched the organization nationally/internationally? Remember, you could be calling these women or men your sisters or brothers!

Our goal is to make sure you have the best recruitment experience possible and provide you with the tools to make the right decision for you in selecting a chapter. Please don’t hesitate to ask questions of community leaders or recruitment guides as we are always willing to help. While recruitment can be a ton of fun, it can also be a time of big decisions. Reach out to any of our IFC, DGC, and Panhellenic council members for support. Let us support you through the process! Enjoy your time meeting new people, having fun, and GO EAGLES!

REASONS TO JOIN A SORORITY OR FRATERNITY

A PLACE TO BELONG - Sorority and fraternity life is grounded in the idea of family - sisters and brothers. Sororities and fraternities provide members the opportunity to connect with fellow students that are interested in helping you adjust to your new college experiences and grow.

INSPIRES YOU TO DEVELOP HIGH STANDARDS - Sorority and fraternity life inspires you to develop as a person by promoting high standards for scholarship, citizenship, and social conduct.

ENCOURAGES COMMITMENT - Sorority and fraternity life pushes you to become a better man or woman. We believe that through membership, members become the best versions of themselves by committing to living their organization’s values on a daily basis.

MANAGEMENT SKILLS - Sororities and fraternities help their members develop time management skills, organizational and decision-making skills, which will serve you well in the future.

PROVIDES TRAINING - Sororities and fraternities provide training programs aimed at developing your greatest potential.

ENCOURAGES VALUE BASED LIVING - Sorority and fraternity life encourages you to ground yourself in core values. Each chapter is guided by core values and members are expected to uphold those values throughout their life.

ACADEMIC EXCELLENCE - Chapters emphasize academics by providing the right atmosphere and encouraging good study habits. All chapters have an academic plan and work hard to ensure that all members stay on track with their academics.

LEADERSHIP DEVELOPMENT - Chapters promote leadership by encouraging member participation in chapter government, campus clubs and organizations, and open doors to a myriad of leadership opportunities throughout campus.

FOSTERS CONCERN FOR OTHERS - Greek life encourages you to participate in philanthropic and service projects that enable you to grow as a servant leader and help others and the community around you.

DEVELOPS LIFELONG FRIENDSHIPS - Sorority and fraternity life develops and encourages lifelong friendships that grow strong with common experiences and remain true over years to come.

RECRUITMENT TIPS
1. Move beyond the stereotypes and really try to get to know the men/women you meet.
2. Get to know the men/women you attend recruitment events with. Regardless of what chapter they join, you may make a new friend.
3. Keep notes on what you do/do not like about the chapters you visit.
4. Remember that the chapters are just as nervous as you.
5. Wear comfortable shoes and clothing and remember that you are trying to put your best foot forward.
6. Try not to become frustrated when you get asked the same question by several people. They are trying to get to know you!
7. Be enthusiastic about meeting new people, even if you do not see yourself becoming their brother/sister.
8. Ask questions! You are trying to find the best place for you.

* If you are a legacy or know someone in the chapter(s) you are visiting, do not overplay it. You need to get to know people regardless of your connection to the organization.

DIVERSIFIED GREEK COUNCIL
FRATERNITIES & SORORITIES

Fraternities and sororities affiliated with the Diversified Greek Council, DGC, do not participate in a formal recruitment process and are culturally based. Fraternities and sororities belonging to the DGC identify new members throughout the year and often engage in a membership intake process on a semi-annual basis. If you are interested in a sorority or fraternity connected to the Diversified Greek Council, it is important to be on the lookout for their events. Introduce yourself when they are tabling or reach out to them based on the contact information listed in this booklet. Like all of our organizations, they are always looking for values-based men and women to help them move their organizations and fraternal community forward.

PANHELLENIC

Sororities affiliated with the Panhellenic Council participate in a primary recruitment process. These sororities also have an informal COB recruiting process for transfer students or anyone who is above freshman standing. There is also a primary recruitment process in the winter for all students of freshman standing fall quarter. There is a $75 non-refundable fee to participate in the formal recruitment process in the winter. Currently there is no cost for COB recruitment. To sign up for Panhellenic recruitment visit ewu.mycampusdirector2.com. If you are interested in our COB recruitment, please contact our Vice President of Recruitment or the chapter you’d be interested in joining.

Madyson Rigg, Panhellenic President - panpresident@ewu.edu
Mackenzie Vigil, Panhellenic Vice President of Recruitment - panrecruitment@ewu.edu.

WHAT YOU should KNOW ABOUT PANHELLENIC RECRUITMENT

RHO GAMMAS- A recruitment counselor or Rho Gamma is a woman who is a member of a sorority chapter at Eastern Washington University. She was selected by her peers and completed an application, interview, and training process to serve as your guide during recruitment. Rho Gammas have been trained to assist you and to model the Panhellenic spirit.

Rho Gammas have been through hours of training in preparation for recruitment. These women are educated to answer any question(s) you may have. They aid you in selecting a chapter that is best for your interests and needs. They are available to handle concerns and offer guidance in a one-on-one setting. Rho Gammas will maintain privacy in your conversations, to the best of their ability.

Recruitment is a five-day, mutual selection and structured process. It can be a hectic and exciting time. If you get frustrated, collect your thoughts and talk to your Rho Gamma. Feel free to confide in them, make friends with them, and ask them questions. They are here to help you and support your journey!

Continuous Open Bidding- Continuous Open Bidding (COB) is an informal recruitment process that takes place before and after primary recruitment in the winter. Any woman who wishes to participate needs to complete the continuous open bid form on EagleSync and could be contacted following formal Panhellenic Recruitment if chapters are participating. Sororities may extend a bid to potential new members at any time if the chapter is eligible for COB and chooses to participate. Some women find this recruitment style less stressful and more laid back. However, not all chapters are eligible to participate in COB.
